

Please partner with me to make a difference...

Dear:

I would like to share with you an exciting organization which I am involved and ask if you would consider partnering with me to make a difference in the lives of women and their babies.

Lois' Lodge is a Christ-centered residential program located in the Charlotte, NC that equips and empowers women to make life affirming decisions for themselves and their children. Lois' Lodge provides shelter, education and life-planning services as well as spiritual guidance and counseling to the women served. They also offer an after-care program which helps clients build further skills toward independence and a successful future for themselves and their children.

I am participating in a Walk-A-Thon in March. The purpose of this event is to raise funds which will sustain the work of Lois' Lodge and allow for continued expansion of programming to minister to women, their children and families.

Would you please sponsor me as I participate in this important event? If you are able to sponsor me, please complete this form and mail with your check directly to Lois' Lodge. You may also go online and make a donation using your credit card. Just complete this form and mail, then visit www.loislodge.org.

I appreciate the consideration that I know you will be giving my request. Thank you for the opportunity to share this ministry with you.

Sincerely,
